HEARTBEAT LIFELINE

SPRING VISION BANQUET: THE POWER OF ONE

Our Spring Vision Banquet was held over the course of two evenings at Lake Mount Church of Christ. We also had a virtual banquet for those who were unable to attend in person. Jason Cole, Heartbeat's Board President did an excellent job presenting the message of The Power of One and Lake Mount's Praise Band provided our entertainment. All in all, it was a great couple of days and we raised \$37,216. This banquet would not have been able to happen without the amazing generosity of our underwriters.

Ephesians 4:4-6 (ESV) "There is one body and on Spirit -- just as you were called to the one hope that belongs to your call -- one Lord, one faith, one baptism, one God and Father of all, who is over all and through all and in all."

HEARTBEAT INTERNATIONAL 50TH ANNIVERSARY

Heartbeat International's 50th Anniversary Conference was held in Columbus this May, and our Heartbeat staff was able to attend. Some of the guest speakers were; Nicole Mullins, Ken Ham and Brad Stein. The staff was able to attend multiple sessions and receive the training and insight for the operation and motivation needed for the vision of Heartbeat. The staff is very thankful for the opportunity to be with "life minded" people from around the world, it was an honor to be able to attend.

SMART MOMMY, SAFE BABY

Cornerstone Parenting Center is now offering a FREE program called, Smart Mommy, Safe Baby. This program allows new moms to learn and develop valuable parenting skills while earning FREE equipment to keep their babies safe.

Moms are matched with a trained Cornerstone parenting coach who guides them through 24 engaging, video-based lessons on parenting, child safety, child nutrition, immunizations, toddler milestones, child behavior, establishing routines, budgeting, and home maintenance, just to name a few. After completing the first 12 lessons, moms are rewarded with a portable playpen (with bassinet), so their babies have a safe place to sleep. Moms who complete the next 12 lessons, are then given a carrier/stroller combo to keep their babies safe while traveling. Training sessions take place once a week at Cornerstone Parenting Center.
